

The best thing you can do for your business.

Grow your business and increase sales with software monitoring and a 30-Year Warranty from Solar Insure. Our Solar Manufacturer Warranty default is backed by insurance coverage provided by an A.M. Best A+ Rated Insurance carrier. Leave your clients feeling confident and secure with the nation's most trusted solar protection.

5 Star Rated

Solar Insure has been a game changer for our company. While there are a lot of varying warranties and coverage with manufacturers, Solar Insure has helped remove the pain to the customer (and solar company) by adding a layer of consistency and coverage. Very easy to work with and reliable.

Why Solar Insure?

Fierce Competition

In an ever-increasingly saturated industry, it's important to stand out from the noise.

Consumer Skepticism

Consumers are more educated and skeptical than ever and are more likely to work with companies they can trust.

Manufacturer Support

Whether a manufacturer goes out of business or fails to support their products, your clients may be at risk.
